

# Tuesday Night Bible Study

**ELIJAH**  
by Priscilla Shirer

Elijah emerged as the voice of unapologetic truth during a time of national crisis and moral decline. Elijah's ministry was marked by tenacious faith and holy fire, the same kind you will need in order to remain steadfast in our current culture. Join us for a fresh look at Elijah and the difficult choices of obedience that kept him anchored, sharpened his faith, broadened his impact, and invited heaven's fire to fall.

Mentors are not super women, they are real people with real feelings, concerns, and responsibilities. This biblically based study will equip you for this life-changing role with step by step guidance on everything, from understanding your gifts, to preparing yourself spiritually, to learning vulnerability and more. Come join us and be encouraged that God can use you now, right where you are!
