For week of September 12, 2021

QUICK REVIEW

Looking back at this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

DIGGING DEEPER

Why is it important to think about the role of the Holy Spirit when discussing marriage?

What does it mean to "be filled with the Holy Spirit"? What are the effects of this in your life and marriage?

Why do so many people in our culture and in the church react negatively to Paul's instruction to wives? How would you answer their objections to the concept of "submitting"?

How does the illustration of marriage as a picture of Christ and the church give purpose and hope for marriage?

How is a husband called to love his wife?

How might a husband display "sacrificial love" practically?

Stop and pray for your own marriage and for the marriages of others.
