## *The Day of the Lord*

*Malachi 4:1-6 Kirk Greenstreet November 21, 2021*

### 1. There are Two Kinds of People.

### 2. How Should They Live?

### 3. How Should We Then Live?

#### QUICK REVIEW

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

#### DIGGING DEEPER

How is the promise of judgment on the Day of the Lord comforting in the midst of evil and injustice in the world? What specific injustices do you long to see corrected by God's judgment?

How does God's judgment work like a purifying furnace? Compare this with Hebrews 12.

How can you live longing for the return of Christ? What does it look like to live with the eager expectation of His return?

What does it mean that the sun will rise "with healing in its wings"? How do we see this demonstrated in the life of Jesus?

If you are a Christian, think about the day you responded to the gospel. Discuss the joy you felt upon being spiritually "healed" by Christ.

Why does God remind the people to remember His Word? How should Christians think about the specific commands of the Word of God?

How would you instruct someone who sees the promise of judgment and respond by trying to "get his life together"? What is a more biblical response, and to what passages of Scripture would you direct him for help?

## IN COMING DAYS

**Office Closed:** No surprise, but the office will be closed on Thanksgiving Day.

**Connection Challenge:** This week, stay twice as long as you usually do after the service to have a conversation with someone about something that matters.

**Looking for a way to serve?** Our Storehouse Ministry could use help showing the love of Jesus to our community members in their times of need. We would need you to commit to twice a month from 9am to noon. We'll train you!
