QUICK REVIEW

Thinking about this week's teaching, was there a particular point, verse or comment that caught your attention, challenged you, or raised a question?

DIGGING DEEPER

What factors may cause people to lose their joy in ministry?

How could Paul "rejoice" and tell others to "rejoice" even though he was in prison? How should his example impact us today?

Our circumstances can overwhelm us. How does this passage of scripture help us give a different focus to our circumstances? How does this passage give you a different focus on God's providence and sovereignty in your life and circumstances?

Why should this passage give us the added incentive to speak the gospel to someone?

In what ways can you "put the gospel first" in your relationships?

What's most important to Paul: motive or message? Why?

Do you love Christ's glory more than your own? Pray for God to help you treasure Christ more than the approval and applause of others.
