Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse, or comment that caught your attention, challenged you, raised a question?

James once again ties our relationship with God to our conduct. How have you seen heavenly wisdom displayed in the good conduct of others?

Jim made a statement that wisdom is uncommon and unlikely in our youth. Why is that? Do you think that has to be true?

Where have you experienced the effects of relying on earthly wisdom in your own life? How did God change your heart in that?

The language that James uses about a harvest conveys a sense of anticipation and waiting. Where in your own life have you seen the fruit of heavenly wisdom delayed in its arrival?
